JCBC

# OVERSEAS SPARE PAIRS' RACES

As in previous years (since the 1930s in fact), Jesus College Boat Club, Cambridge (JCBC) will run the **annual 'Spare Pairs' races on Monday 30th June.** This informal competition, run as a series of knockout races over the full course, is **open to any overseas spare pairs** who are accompanying their respective clubs. There is no eligibility requirement, other than that of being a genuine spare pair from an overseas club. Provided we receive enough entries, there will be separate categories for Fastest Men's and Women's Pairs without any entry fee. The crews will have to source their own boats and blades as we are unable to help with that. This is an opportunity for spares to race on the course, and to compete for the Jesus College Spare Pairs Trophy, which cannot be removed. This will be available for photographs after the finals.

Crews are invited to e-mail their entries to the JCBC President, Dom Swift (dds37@cam.ac.uk), and copied to proof@regattahq.co.uk. **Entries will close at 4pm on Saturday 28th June**. Any entries received later than this time may be accepted at the discretion of the organisers. Notices will be published via email and on this noticeboard. As the races are run during normal training hours on the Regatta course, the number of entries may be limited. The heats will be raced from the Barrier to the Finish and the finals will be on the full course. The finals will be part of the broadcast rehearsal – this means that competitors will have to acknowledge and agree to their image rights per all other competitors.

The draw will be published via email and on the noticeboard on Sunday at noon. There will be a pre-race meeting here at 12pm on Monday, with the first race at 1pm.
