

IMPORTANT NOTICE

PARKING FOR THE QUALIFYING RACES - Friday, 26 June 2026

BOAT TRAILERS

NO BOAT TRAILERS WILL BE ALLOWED INTO THE BOAT TENT AREA

Upon arrival, ALL trailers are to be parked on Lion Meadow under the direction of a Regatta Official. The rigging of boats may only be undertaken here, and trailers will be parked in such a way as to allow room for this to be done. Under no circumstances will trailers be allowed into the Boat Tent Area, nor will trestles be permitted in front of the Boat Tent.

ONLY VEHICLES USED FOR TOWING TRAILERS OR FOR CARRYING BOATS WILL BE PERMITTED TO REMAIN ON LION MEADOW - ALL OTHER VEHICLES TO BE PARKED IN BUTLER'S FIELD.

COMPETITORS' CARS

The gravel car park (opposite Leander) will not be available for the parking of competitors' cars. Accordingly, you are asked to ensure that competitors park their own cars in Butler's Field upon arrival. Lion Meadow is not to be used for this purpose.

OTHER CARS

Spectator parking will be available in Green's Field; cars will be subject to a £15 charge.

In the event of bad weather there will be no spectator parking.

BARBECUES

It is regretted that barbecues are not permitted on Regatta land on the day of the Qualifying Races. You will, however, be able to pick-up a freshly-cooked wood-fired pizza, a delicious Greek wrap or tasty burgers, available on Lion Meadow.

DEPARTURE

All trailers must be removed from Lion Meadow by 22:00 on 26 June. If the Club is continuing to compete at the Regatta then the trailer **MUST** be moved by that time to the trailer park in Butler's Field.

Clubs no longer in the Regatta must immediately remove their cars and trailers from the Regatta site, although space has been allocated at Fawley Meadows for Clubs needing to leave a trailer in Henley.
